Super heroine in peril fiction at its finest!

Grimme City's super heroines are young, hot, and descended of the legendary Viking Valkyrie.

There is a new terror in Grimme City, and it's targeting super heroines. One of the mythical Satyr has escaped from the Otherworld. He is hunting super heroines and stealing their super powers, their very essence, in a bid to increase his power in the Otherworld. The Beast has sinister plans for Grimme City's super heroine population, and even darker plans for one of the greatest goddesses ever.

Ms Patriot to the rescue! As the city's premier super heroine, she is determined to stop the Beast at all costs. Unfortunately, being descended of the Valkyrie for once is a disadvantage, since they are more susceptible to the Beast's vile magic. Can Freya's Champion on Earth find a way to stop the Beast? Or will she fall prey to his powerful magic?

Warning: This super heroine in peril, urban fantasy story has explicit violence and sex. It gets down and dirty, showing the dark side of costumed vigilantism. For adults 18 years old and above who are not easily offended.

This is a story of approximately 11,000 words.

Excerpt:

A burst of intense light consumed them for a second. Ms Patriot gasped, eyes burning to see another beautiful young Valkyrie woman utterly destroyed. Worse, Autumn was her good friend Annette's beloved daughter and super heroine sidekick.

“Yes! I’ve taken one more step closer to you, Aphrodite!” Beast cried at the heavens. “One more Valkyrie woman, and you will belong to me!”

That made Ms Patriot pause. It wasn't the first time she'd heard him cry out about Aphrodite. So now she understood that his objective was to gain enough supernatural power to capture and enslave a goddess. And not just any goddess, but one of the Greek pantheon's most powerful goddesses. She was a little surprised that the Beast was targeting Valkyrie women, instead of Amazons.
