Untitled 12: In english Kaur Kender

UNTITLED 12 is Kaur Kender's 10th novel. Scratching, cruel, relentless, ruthless satire of Eastern European fascist porn addicted society, where rich ethnical Estonians can do whatever they please to whomever they want. Published in Estonia in 2014 UNTITLED 12 quickly became the most notorious and controversial literary work ever written in Estonian. Transgressive and horrific, it never pretends to offer more than the detached surgical observation of sick characters in the cynical, cold, hopeless world. Enjoy the tour in hell known as Eastern Europe.
