Why Am I Afraid to Love? John Powell

This book describes the human scars and pains which block the way to true love. Drawing on his knowledge of modern psychology, Father Powell opens the path to human fulfilment and lasting joy. Powell believes the test of true love to be whether we can really forget ourselves. It is here that he thinks religion can help so greatly, for the essential act of religion is forgetting ourselves in the life and joy and love of God. This is what we must aim for in all our relationships.
