Don't Fall Off the Mountain Shirley MacLaine

"I've always felt that I would never develop into a really fine actress because I cared more about life beyond the camera than the life in front of it. Over the years my search became broader and broader. After two months on a picture my car seemed to veer toward the airport of its own accord. I still loved acting and enjoyed it. I was a professional, but basically I was more interested in the people I played than the movies I played them in..." -- Shirley MacLaine.

An outspoken thinker, a keen observer, a truly independent woman, Shirley MacLaine takes us on a remarkable journey into her life and her inner self. From her Virginia roots, to stardom, marriage, motherhood and her enlightening travels to mysterious corners of the world, her story is exciting and poetic, moving and humorous-the varied and life-changing experiences of a talented, intelligent and extraordinary woman.
