Intervention: A Root Tale to the Galactic Milieu and a Vinculum Between It and the Saga of Pliocene Exile Julian May

They have always been among us - the telepaths, the persons possessing higher mind-powers that have been called "metaphychic" - but they have always been few and far between and their abilities weak or erratic. Until now . . . Human evolution makes a quantum leap. And all over the world, people begin to be born with extraordinary minds. Some of them are geniuses and some are very ordinary. But all of these metapsychic operants have mind-powers that "normal" humanity considers amazing - and dangerous.
