The Butcher Jennifer Hillier

From the acclaimed author of *Creep* and *Freak* whom #1 bestselling author Jeffery Deaver praised as a “top-of-the-line thriller writer,” a high-octane novel about lethal secrets that refuse to die—until they kill again.

A rash of grisly serial murders plagued Seattle until the infamous “Beacon Hill Butcher” was finally hunted down and killed by police chief Edward Shank in 1985. Now, some thirty years later, Shank, retired and widowed, is giving up his large rambling Victorian house to his grandson Matt, whom he helped raise.

Settling back into his childhood home and doing some renovations in the backyard to make the house feel like his own, Matt, a young up-and-coming chef and restaurateur, stumbles upon a locked crate he’s never seen before. Curious, he picks the padlock and makes a discovery so gruesome it will forever haunt him... Faced with this deep, dark family secret, Matt must decide whether to keep what he knows buried in the past, go to the police, or take matters into his own hands.

Meanwhile Matt’s girlfriend, Sam, has always suspected that her mother was murdered by the Beacon Hill Butcher—two years *after* the supposed Butcher was gunned down. As she pursues leads that will prove her right, Sam heads right into the path of Matt’s terrible secret.

“A tense, suspenseful, thoroughly creepy thriller” (*Booklist*), *The Butcher* will keep you guessing until the bitter, bloody end. Don’t miss this “thrill ride that will have your attention from start to finish” (*Suspense Magazine*).

From reader reviews:

Kelsey Dehart:

Reading a e-book can be one of a lot of pastime that everyone in the world really likes. Do you like reading book so. There are a lot of reasons why people like it. First reading a e-book will give you a lot of new information. When you read a e-book you will get new information because book is one of many ways to share the information as well as their idea. Second, reading a book will make an individual more imaginative. When you studying a book especially tale fantasy book the author will bring someone to imagine the story how the characters do it anything. Third, you are able to share your knowledge to others. When you read this The Butcher, you could tells your family, friends along with soon about yours reserve. Your knowledge can inspire others, make them reading a e-book.

Christi Shoup:

The book with title The Butcher has lot of information that you can understand it. You can get a lot of help after read this book. That book exist new knowledge the information that exist in this book represented the condition of the world now. That is important to yo7u to find out how the improvement of the world. That book will bring you within new era of the glowbal growth. You can read the e-book on your own smart phone, so you can read the item anywhere you want.

Darryl Payton:

This The Butcher is great book for you because the content which is full of information for you who always deal with world and also have to make decision every minute. This particular book reveal it data accurately using great coordinate word or we can state no rambling sentences included. So if you are read the item hurriedly you can have whole information in it. Doesn't mean it only gives you straight forward sentences but tough core information with attractive delivering sentences. Having The Butcher in your hand like getting the world in your arm, facts in it is not ridiculous one particular. We can say that no publication that offer you world in ten or fifteen minute right but this publication already do that. So , this can be good reading book. Heya Mr. and Mrs. busy do you still doubt that will?

Irene Carpenter:

This The Butcher is brand new way for you who has interest to look for some information since it relief your hunger info. Getting deeper you onto it getting knowledge more you know or else you who still having bit of digest in reading this The Butcher can be the light food to suit your needs because the information inside this kind of book is easy to get by simply anyone. These books create itself in the form that is reachable by anyone, that's why I mean in the e-book application form. People who think that in reserve form make them feel tired even dizzy this book is the answer. So there is no in reading a book especially this one. You can find what you are looking for. It should be here for you actually. So , don't miss that! Just read this e-book variety for your better life as well as knowledge.
