## Entangled: The Eater of Souls Graham Hancock

Graham Hancock has spent decades researching and writing some of the most ambitious and successful nonfiction investigations into ancient civilizations and wisdom. *Entangled* uses all of Hancock's skills and knowledge to propel a fantasy adventure like nothing else preceding it.

*Entangled* is a time-slip novel alternating between present-day California, Brazil, and prehistoric Spain, with two teenage female protagonists who must come together to avert an incredibly bloodthirsty takeover of the human race.

*Entangled* is the first book in a trilogy relating the story of an unrelentingly evil master magician named Sulpa who is on the loose and determined to destroy humanity. Leoni, a troubled teen from modern-day Los Angeles, and Ria, a young woman who lives in Stone Age Spain, meet in a parallel dimension outside the flow of time to stop Sulpa's spectacular, deadly materialization of the modern world.

*Entangled* rides a growing wave of interest in parallel dimensions and imaginary worlds (*The Lord of the Rings*, *The Chronicles of Narnia*, and *The Golden Compass* are recent Hollywood examples) and will have immediate appeal to readers of Philip Pullman, Stephen King, Neil Gaiman, and Kate Mosse, among others.

But *Entangled* has the added merit of being grounded in solid anthropological and scientific research. Hancock calls on his years of research into cutting-edge issues, including the "Neanderthal Enigma," the nature of consciousness, the many worlds interpretation of quantum physics, parallel realms, time travel, and near-death and out-of-body experiences.
