Reading Problems: Assessment and Teaching Strategies (7th Edition) Joyce Holt Jennings, JoAnne Schudt Caldwell, Janet W. Lerner

In this well-respected text, multiple approaches to teaching students with reading problems are presented with practical strategies, extensive descriptions of tests, and its own IRI. A comprehensive survey of teaching strategies, formal and informal assessment, theory, and research, *Reading Problems* by Jennings, Lerner, and Caldwell combines invaluable information from the field of reading with allied fields such as special education, bilingual education, medical science, and policy studies. The new Seventh Edition encourages the collaboration of general education teachers and reading teachers; offers strategies for ELL students; discusses both formal and informal assessment; emphasizes early literacy for young children; covers both reading and writing; includes information on specific reading skills, word recognition, phonics, fluency, vocabulary, and comprehension; updates on Special Education legislation; discusses the impact of the Common Core State Standards on literacy instruction and assessment.
