Attempting to form an overview of the experimentation that has gone into his efforts over the past two decades, Sou Fujimoto compiles a multifarious and richly illustrated collection of works concepts, new ideas, and unrealised projects that is remarkable both for its sprawling diversity and for its consistency in the pursuit of an ideal. As Fujimoto writes in his introduction, Beneath even the boldest, most daring proposals lie many years of patient trial and error. Each project description contains index numbers of other projects that bear a resemblance to it, enabling readers to trace an interconnected web of interrelated concepts through his entire body of work.
