The Handbook of Mortgage Backed Securities Frank J. Fabozzi

The definitive guide to mortgage-backed securities --now revised and updated

The classic -- and single best -- resource for understanding and trading mortgage-backed securities has been brought fully up to date with The Handbook of Mortgage-Backed Securities, Fifth Edition, giving you timely insights into everything from fundamentals to investment characteristics of mortgage-backed securities, as well as state-of-the-art strategies for capitalizing on opportunities.

The Handbook's seven sections bring you up to speed on mortgages and pass-through securities; stripped mortgage-backed securities and collateralized mortgage obligations; credit-sensitive mortgage-backed securities; prepayment modeling; valuation techniques, relative value analysis, and portfolio strategies; commercial mortgage-backed securities; and non-U.S. mortgage-backed securities.

This edition is more than just a revised edition -- it's practically a new book: twenty-nine of the chapters are either new or have been substantially revised, reflecting the most recent developments in the mortgage-backed securities market, in terms of both product development and financial technology. These entirely new sections give you a seamless transition into the 24-hour, global financial markets of the 21st century.
