The Myth of a Christian Religion: Losing Your Religion for the Beauty of a Revolution Gregory A. Boyd

The kingdom of God is a beautiful revolution. Marked by the radical life, love, servanthood, and humility of Jesus, it stands in stark contrast to the values and ways of the world.

Regrettably, many who profess to follow Christ have bought into the world's methods, seeking to impose a sort of Christianized ethical kingdom through politics and control. In this illuminating sequel to his bestselling book *The Myth of a Christian Nation*, Dr. Gregory Boyd points us to a better way—a way of seeing and living that is consistent with the gospel of Jesus and his kingdom. Between the extremes of passivity on the one hand and political holy war on the other lies the radical, revolutionary path of imitating Jesus.

In twelve areas ranging from racial and social issues to stewardship of the planet, this book will convince and inspire you to live a Christlike life of revolt and beauty—and it will help you attain a practical lifestyle of kingdom impact.
