The Book to Read Before You Say "I Do"

If you're headed for the altar -- or you're in a serious relationship that could lead to marriage -- you probably already know that issues like love, sex, money, religion, kids, in-laws, and even who has to walk the dog can become potential landmines if you and your partner don't discuss your feelings openly before you take the plunge. Now, Corey Donaldson has put together more than 500 questions -- ranging from playful to provocative -- designed to get you and your partner talking frankly and communicating effectively before you walk down the aisle. Donaldson covers hot topics such as:

- * Does it matter to you who earns most of the money?
- * What does my family do that annoys you?
- * What is the difference, for you, between love and romance?
- * What place do you believe religion has in the world?
- * How long do you want to wait before having children?
- * If I wanted to move away from our families for work, would you support me?
- * Who cleans the house?
