## **Garfield: His 9 Lives** Jim Davis

Garfield lives his life to the fullest . . . 9 times!

Cave Cat -- the first cat crawled out of the sea 10 million years ago. He was happy to be out of the water -- until he met Big Bob!

The Vikings -- he was big, he was mean, he was a Viking. Garfield the Orange had looted a lot of cities, but none like St. Paul, Minnesota.

Babes and Bullets -- Sam Spayed wasn't the best private investigator in the world, but he did have one terrific thing going for him -- a secretary who made a great cup of coffee.

The Exterminators -- no mouse was safe from the exterminators. Catching mice was their life. It wasn't a pretty job -- especially the way they did it.

Lab Animal -- specimen 19-GB was not happy at the prospect of being dissected, so he did something about it. What happened set the federal government on its ear.

The Garden -- life was a carefree romp among hovering harmonicas for Cloey and the orange kitten . . . until they confronted the crystal box.

Primal Self -- he was an ordinary house cat leading an ordinary existence. A shadowy memory from another time changed all that.

Garfield -- the marvelous cat we all know and love. This is his life in a nutshell.

Space Cat -- he was lost in space with a computer built by the lowest bidder. And, he was not about to let his life slip away that easily.
