Graced 2 Grace: Why God Graces Us H. Wallace Webster

Grace. Do we really comprehend the implications of that small, one-syllable word? Do we realize how much we have been graced? More importantly, do we understand how God intends us to use that grace throughout the world? Everyone, no matter their location, time of life, or economic circumstances, has been graced greatly by God, and that can be a difficult thing for us to grasp in our more-is-better American culture. We want to believe that we haven't really been graced until we have more of this or enough of that.

In this book, Dr. Wallace Webster delves into the mystery of grace. We learn that grace isn't just something conveyed on a favored few; God lavishes it on all of us in ways we may not even realize. We see how those with the least often understand that they have been graced the most. And we learn that we, as citizens of Christ's kingdom, have the great privilege of spreading that grace throughout the world in many amazing ways.
