If they really knew me... How many times have we thought that? We put on a face that says we're OK, but in reality we are a mess. We don't think life can be better, so we learn to excel at being average. What if life could be lived differently? This book offers that hope. No one is perfect, we're in good company, and there is a God who sees that we are not OK and wants to be with us anyway. Break through the barriers, face your insecurities, and find true peace so you can become the-best-version-of-yourself.
