People who are in trouble must discern the source of the problem—a correct assessment of the problem's origins is the first step toward responding well and resolving the situation. Is the issue explainable by natural causes? If not, it is likely that the believer is under spiritual attack.

The *Believer's Guide to Spiritual Warfare* is a practical guide to overcoming the forces of the world, the flesh and the devil that come against believers' personal lives, families, vocations and ministries. The Holy Spirit is ready and willing to free Christians from spiritual attack, and this essential handbook will help readers access that power. They will learn to discern the source of an attack, to free themselves and others from spiritual bondage, and to pray effectively to protect their home, business, church and ministry from the forces of evil. *The Believer's Guide to Spiritual Warfare* goes beyond theory to equip believers with simple, effective tools and techniques for winning victory.
