A light from the shadows, light at the end of the tunnel, and finally shepherd to the light. I never said i was Jesus though. He's only just been born. With thanks to most of my family and friends, and to many great artists who planted seeds to later take root. They took root in me. Join Psi and Gabriel as well as many others as they explore and philosophise on life and find true answers. How unresolved sub conscious issues manifest themselves physically and mentally in our everyday lives and in the world around us. Everyone has been kept in the Dark for so long. Something needs to be done. Oh it seems so obvious now. So let me take you on a magical journey. Liberation! 2 books in one. Enjoy!
