Mastery of Your Anxiety and Worry: Workbook (Treatments That Work) Michelle G. Craske, David H. Barlow

Individuals who suffer from Generalized Anxiety Disorder know that it can be extremely impairing, causing chronic tension, fatigue, irritability and difficulties sleeping. The most effective treatment for this disorder is a program based on principles of cognitive-behavioral therapy.

Written by the developers of an empirically supported and effective CBT therapy program for treating GAD, this workbook includes all the information necessary for a client to learn the appropriate skills to combat their excessive worry. When used in conjunction with the corresponding therapist guide, this book provides a complete treatment package with a proven success rate.

Through the use of this workbook, clients will become active participants in their supervised treatment. This revised edition includes new elements such as a listing of goals for each session chapter, as well as more detailed lists of homework assignments. *Mastery of Your Anxiety and Worry, Workbook, 2e* is a one-of-a-kind resource that allows clients to work alongside their therapist to personalize their treatment strategy and overcome their GAD.
