Justin Raimondo

Reclaiming the American Right: The Lost Legacy of the Conservative Movement Justin Raimondo

In recent years a number of conservatives have wondered where the Right went wrong. One persuasive answer is provided by *Reclaiming the American Right: The Lost Legacy of the Conservative Movement*. Justin Raimondo's captivating narrative is the story of how the non-interventionist Old Right—which included half-forgotten giants and prophets such as Sen. Robert A. Taft, Garet Garrett, and Col. Robert McCormick—was supplanted in influence by a Right that made its peace with bigger government at home and “perpetual war for perpetual peace” abroad. First published in 1993, *Reclaiming the American Right* is today as timely as ever.

The latest volume in ISI Books' Background series, this edition includes a new introduction by Georgetown political scientist George W. Carey, Patrick J. Buchanan's introduction to the second edition, and new critical essays on the text by Scott Richert, executive editor of *Chronicles*, and David Gordon, senior fellow at the Ludwig von Mises Institute.
