Rogue: The Sons of Dusty Walker Sable Hunter, The Sons of Dusty Walker

A loner by choice and a renegade by nature.

Rogue is living up to his name. He's lived life on his own terms, doing everything from team-roping in college, Texas Hold 'em champion to founding his own company, Lone Wolf Oil.

Everything he's accomplished has been in spite of Dusty Walker, a man who sired four sons by four women – none of them his wife. Rogue might be following in his father's footsteps, but he is nothing like his father. And he never will be if he can help it.

When he flies to Kansas for the reading of Dusty's will, three brothers and a quarter interest in a half-billion dollar business aren't all he finds...Rogue feels like he's been hit by a tornado after he walks into a room and finds a woman in his bed. Not just any woman, either...

The last time he saw Kit Ross, she was racing off in her truck leaving him naked and hard by the side of the road. Of course, he deserved it; he'd hurt her. To say she wasn't happy to see him was an understatement.

And when he wins her ranch with a good poker hand, the game is on.

It's not just poker that's being played. They can't keep their hands off one another. Rogue doesn't know if he has room in his life for family and love. He doesn't know if he can be trusted with people's hearts and happiness. What if he's more like Dusty Walker than he ever knew?

The Sons of Dusty Walker. Four brothers – one tainted legacy and a wild, wild ride.
