Anne & Henry Dawn Ius

In this wonderfully creative retelling of the infamous—and torrid—love affair between Anne Boleyn and King Henry VIII, history collides with the present when a sizzling romance ignites in a modern-day high school.

Henry Tudor's life has been mapped out since the day he was born: student body president, valedictorian, Harvard Law School, and a stunning political career just like his father's. But ever since the death of his brother, the pressure for Henry to be perfect has doubled. And now he's trapped: forbidden from pursuing a life as an artist or dating any girl who isn't Tudor-approved.

Then Anne Boleyn crashes into his life.

Wild, brash, and outspoken, Anne is everything Henry isn't allowed to be—or want. But soon Anne is all he can think about. His mother, his friends, and even his girlfriend warn him away, but his desire for Anne consumes him.

Henry is willing to do anything to be with her, but once they're together, will their romance destroy them both?

Inspired by the true story of Anne Boleyn and King Henry VIII, *Anne & Henry* beautifully reimagines the intensity, love, and betrayal between one of the most infamous couples of all time.

Walter Godinez:

Reading a publication tends to be new life style in this era globalization. With reading you can get a lot of information that could give you benefit in your life. With book everyone in this world can easily share their idea. Guides can also inspire a lot of people. A great deal of author can inspire their reader with their story or maybe their experience. Not only situation that share in the textbooks. But also they write about the knowledge about something that you need example. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book which exist now. The authors in this world always try to improve their ability in writing, they also doing some study before they write to their book. One of them is this Anne & Henry.

Mark Hernandez:

Playing with family inside a park, coming to see the sea world or hanging out with pals is thing that usually you may have done when you have spare time, subsequently why you don't try point that really opposite from that. One activity that make you not feeling tired but still relaxing, trilling like on roller coaster you have been ride on and with addition info. Even you love Anne & Henry, you are able to enjoy both. It is fine combination right, you still wish to miss it? What kind of hangout type is it? Oh can occur its mind hangout guys. What? Still don't have it, oh come on its known as reading friends.

Paul Tirrell:

As a university student exactly feel bored for you to reading. If their teacher asked them to go to the library or even make summary for some e-book, they are complained. Just tiny students that has reading's heart or real their interest. They just do what the educator want, like asked to go to the library. They go to right now there but nothing reading seriously. Any students feel that studying is not important, boring and also can't see colorful pictures on there. Yeah, it is being complicated. Book is very important for you. As we know that on this era, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this Anne & Henry can make you sense more interested to read.

Belinda Hamilton:

What is your hobby? Have you heard in which question when you got learners? We believe that that concern was given by teacher to their students. Many kinds of hobby, Every person has different hobby. And you also know that little person just like reading or as studying become their hobby. You need to understand that reading is very important in addition to book as to be the issue. Book is important thing to provide you knowledge, except your personal teacher or lecturer. You discover good news or update in relation to something by book. Amount types of books that can you go onto be your object. One of them is actually Anne & Henry.
