Are you interested in starting a blog but can't decide on which service to use? Google's Blogger offers many advantages over other blog publishing systems, including seamless integration with Google services and web applications.

Beginning Google Blogger is a complete resource on how to create and manage a blog using Blogger. The book offers step-by-step instructions and visual aids which walk you through both the basics of Blogger and the advanced features it offers?from creating a new blog and choosing fonts and colors, and installing custom blog graphics; to converting from a 2-column to a 3-column layout, setting up a domain name and creating an online store with a built-in navigational bar.

The journey from newbie to experienced blogger will be fun and challenging. You'll learn practical applications of the most popular gadgets, search engine optimization tips, how to make money using Blogger, and, overall, taking blogging to a new level by incorporating social networking tools, using advanced blog design techniques, setting up a custom domain and creating an online store.
