Like nothing else, small groups have the power to change lives. They are the ideal route to discipleship—a place where the rubber of biblical truth meets the road of human relationships. However, church leaders often feel at a loss when it comes to assessing the strengths and weaknesses of group life in a church, and they struggle with understanding and solving the root causes of problems. Group Life resources provide in ebook format the practical tools and training resources needed to develop life-changing small group leaders, coaches to shepherd group leaders, and ultimately, a thriving church-wide small group ministry. These resources include the updated and revised versions of the best-selling Leading Life-Changing Small Groups and Coaching Life-Changing Small Group Leaders, the new Building a Life-Changing Small Group Ministry and the supplemental Group Life Training DVD. Appropriate for individual or group study, the books function as manuals and workbooks that teach and allow readers to process and record information as they learn. Downloadable web-based vision clips and supplemental videos in the DVD help readers explore and discuss topics further. Group Life Resources conveniently integrate with the ReGroup™ curriculum, giving trainers the option to use them together. The updated and revised third edition of Bill Donahue's best-selling Leading Life-Changing Small Groups will help church leaders prepare small group leaders who can successfully facilitate gatherings and shepherd group participants.
