The Holistic Curriculum: Second Edition

John P. Miller

The Holistic Curriculum: Second Edition John P. Miller

Holistic education is concerned with connections in human experience - connections between mind and body, between linear thinking and intuitive ways of knowing, between individual and community, and between the personal self and the transpersonal self.

First published in 1988, *The Holistic Curriculum* examines the philosophical, psychological, and social foundations of holistic education, outlining its history and discussing practical applications in the classroom.

This revised and expanded second edition concisely describes how holistic thinking integrates spiritual and scientific perspectives, drawing on romantic, humanistic, and other radical alternatives to the atomistic worldview of the modern age. The role of the teacher, the issue of accountability, and strategies for implementing the Holistic Curriculum are also discussed.

From reader reviews:

Edna Pilon:

People live in this new day time of lifestyle always try and must have the extra time or they will get large amount of stress from both lifestyle and work. So , once we ask do people have free time, we will say absolutely indeed. People is human not just a robot. Then we inquire again, what kind of activity are you experiencing when the spare time coming to anyone of course your answer may unlimited right. Then do you ever try this one, reading publications. It can be your alternative with spending your spare time, the particular book you have read is actually The Holistic Curriculum: Second Edition.

Hazel Freese:

Playing with family in the park, coming to see the coastal world or hanging out with close friends is thing that usually you have done when you have spare time, after that why you don't try point that really opposite from that. 1 activity that make you not sensation tired but still relaxing, trilling like on roller coaster you are ride on and with addition of knowledge. Even you love The Holistic Curriculum: Second Edition, you can enjoy both. It is very good combination right, you still need to miss it? What kind of hangout type is it? Oh can occur its mind hangout guys. What? Still don't get it, oh come on its known as reading friends.

Denise Kerrigan:

Reading a book being new life style in this 12 months; every people loves to read a book. When you examine a book you can get a lot of benefit. When you read publications, you can improve your knowledge, since book has a lot of information onto it. The information that you will get depend on what kinds of book that you have read. If you want to get information about your review, you can read education books, but if you act like you want to entertain yourself read a fiction books, this kind of us novel, comics, along with soon. The The Holistic Curriculum: Second Edition provide you with a new experience in reading a book.

Mildred Kershner:

Is it an individual who having spare time and then spend it whole day through watching television programs or just laying on the bed? Do you need something new? This The Holistic Curriculum: Second Edition can be the solution, oh how comes? A fresh book you know. You are thus out of date, spending your spare time by reading in this new era is common not a nerd activity. So what these ebooks have than the others?
