NOTE: You are purchasing a standalone product; MyEconLab does not come packaged with this content. If you would like to purchase both the physical text and MyEconLab search for ISBN-10: 0134004655/ISBN-13: 9780134004655. That package includes ISBN-10: 0133872270/ISBN-13: 9780133872279 and ISBN-10: 0133918181/ISBN-13: 9780133918182.

For the two-semester principles of economics course.

An intuitive and grounded approach to economics

Get students to think like an Economist using the latest policy and data while incorporating global issues. ***Economics, Twelfth Edition*** builds on the foundation of the previous edition and retains a thorough and careful presentation of the principles of economics. ***Economics*** emphasizes real-world applications, the development of critical thinking skills, diagrams renowned for pedagogy and clarity, and path-breaking technology.

Each chapter begins with one of today's key issues, and additional issues appear throughout the chapter to show the real-world applications of the theory being discussed. When the chapter concludes, students "read between the lines" to think critically about a news article relating to the issue, demonstrating how thinking like an economist can bring a clearer perspective to and deeper understanding of today's events. Students will begin to think about issues the way real economists do and learn how to explore difficult policy problems to make more informed decisions in their own economic lives.

Also available with MyEconLab

MyEconLab is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts.

From reader reviews:

Kathryn Sheffield:

Reading a e-book can be one of a lot of action that everyone in the world really likes. Do you like reading book therefore. There are a lot of reasons why people fantastic. First reading a guide will give you a lot of new information. When you read a book you will get new information due to the fact book is one of many ways to share the information or their idea. Second, reading through a book will make anyone more imaginative. When you examining a book especially tale fantasy book the author will bring you to definitely imagine the story how the people do it anything. Third, you can share your knowledge to other folks. When you read this Economics (12th Edition), you can tells your family, friends and soon about yours guide. Your knowledge can inspire different ones, make them reading a publication.

Bradley Harshbarger:

On this era which is the greater particular person or who has ability in doing something more are more important than other. Do you want to become among it? It is just simple approach to have that. What you must do is just spending your time not very much but quite enough to enjoy a look at some books. One of several books in the top record in your reading list is definitely Economics (12th Edition). This book which is qualified as The Hungry Hills can get you closer in getting precious person. By looking upwards and review this e-book you can get many advantages.

Luther Keller:

Do you like reading a publication? Confuse to looking for your best book? Or your book had been rare? Why so many question for the book? But any people feel that they enjoy with regard to reading. Some people likes reading through, not only science book but novel and Economics (12th Edition) or maybe others sources were given expertise for you. After you know how the truly amazing a book, you feel want to read more and more. Science book was created for teacher or even students especially. Those textbooks are helping them to include their knowledge. In some other case, beside science publication, any other book likes Economics (12th Edition) to make your spare time much more colorful. Many types of book like this one.

Phyllis Thompson:

What is your hobby? Have you heard that question when you got scholars? We believe that that question was given by teacher for their students. Many kinds of hobby, All people has different hobby. And you also know that little person just like reading or as looking at become their hobby. You must know that reading is very important in addition to book as to be the issue. Book is important thing to provide you knowledge, except your current teacher or lecturer. You find good news or update with regards to something by book. Amount types of books that can you choose to adopt be your object. One of them are these claims Economics (12th Edition).
