You Can Succeed in College--Even Make Straight A's

Good grades are just too important to leave to chance because your future depends on what you do in college. It's sobering . . . but it's true.

If you know how, you can master new college challenges and even make straight A's. But college is different from high school, so it helps to know HOW to study smart.

When you use the practical, proven tips in this book, you'll find that college success doesn't come just from studying *harder*.

It comes from studying *smarter*. And Dr. Sandra Gibson shows you exactly how to do it.

Dr. Gibson has spent years as a full-time professor of study skills. She's helped thousands of students succeed through popular workshops, seminars, classes and individual help. Hundreds of colleges around the world use her classic *Making A's in College* study-skills video.

So she knows what works in college and that's what's in this book. Real-world college-success help for real-world students, whether you're new to college or a returning student.

College Success Is Like Juggling

Success in college means you have to keep lots of balls in the air at the same time, balancing assignments, classes, study time--AND your social life. That's a lot to manage--but you can do it if you know how.

That's where this book can help. It's a guide to college success and it's easy to read. Packed with proven, cutting-edge information, it shows you a simple, practical system you can use *right now* to make better grades.

It tells you WHAT to do and exactly HOW--the kind of practical advice you want.
