Sex: A Book for Teens: An Uncensored Guide to Your Body, Sex, and Safety Nikol Hasler

The co-creator of the popular online *Midwest Teen Sex Show* brings us a hilarious, honest, and in-depth look at every teen's favorite subject: sex. This isn't your mother's sex book: It's punchy and unapologetic. At the same time, it teaches teens the practical ins and outs of being sexually active and, above all, how to stay safe. With humorous illustrations by *San Francisco Chronicle* cartoon artist Michael Capozzola, this book features chapters on everything including: foreplay, different forms of sex (all of them!), masturbation, sexual orientation and gender identity, body issues, relationships, virginity, birth control, and protection against diseases. Modern teens are faced daily with making decisions about whether to have sex and how to protect themselves if they do, and they need an engaging and relatable resource for getting the right information. That's what this book is about.
