"MAKE SURE EVERYBODY YOU LOVE
KNOWS YOU LOVE THEM
JUST IN CASE YOU DON'T HAVE TIME
TO TELL THEM BEFORE YOU
OR THEY DIE."

When Jonathan collapses and dies he feels more alive than he did before and soon realises that death is not what it seems but merely a transition into another dimension.

He learns to be a spirit guide helping his son, Matt, live and die through one of the world's worst disasters – the destruction of the World Trade Center.

Arming his son with a copy of The Earth Guide Book – the manual for spirit guides – Jonathan works alongside Matt to unravel the universal questions of life and death.

A combination of fact and creative fictionalisation, full of inspirational teachings, The Angels of 9/11 is the antidote to terrorism.

This book will not leave you with feelings of death and destruction but with feelings of love, trust, hope, redemption and a deeper understanding of life and death.
