Book Five will be out December 2015 (hang on, slight delay...coming soon, I promise!)

Life used to be drab for Billie Culpepper but all that changed after an accident left her in a coma for three days. That's when the spookshow really began, when Billie realized that she could see the dead.

And the dead could see her.

Now, they won't leave her alone.

Accompanying two friends through a haunted house, Billie uncovers a terrible secret that brings, not only the police, but the homicide detective responsible for putting her into the hospital in the first place. He's also the one man she sworn to stay away from.

Author's note: The Spookshow is the first book in a new paranormal series about what lies on the other side of death. A young woman's latent psychic ability is awakened, allowing her to see the lost souls that surround us. Part blessing but mostly curse, she struggles to deal with the awful truths the dead whisper to her. Complicating matters is the homicide detective who comes to her for help, a man she's drawn to but cannot be with. So far, the books are:

1. The Spookshow
2. Welcome to the Spookshow
3. The Women in the walls
4. Bringing up the bodies
5. TBA

The Spookshow is a fast-paced introduction into the world of ghosts, murder, mystery, the occult and the heartbreaks of wayward twenty-somethings trying to find their place in life.
