The Ten Commandments: Interpretation: Resources for the Use of Scripture in the Church Patrick D. Miller

In this volume, Patrick D. Miller studies the Ten Commandments as ancient document and as contemporary guide. With careful attention to each commandment in its original context, this book shows the reader the modern relevance of these basic principles, as well as how the ideas of each commandment influenced the New Testament. More than an intellectual exercise, *The Ten Commandments* applies the call of the commandments to modern-day issues.

Westminster John Knox Press is proud to introduce an exciting new phase in the renowned Interpretation commentary series. Instead of focusing on individual books of the Bible, these new volumes will focus on the Bible's most enduring passages and most vital themes, bringing to these topics the insight and faithful wisdom that are longtime hallmarks of the Interpretation series. This expanded Interpretation series will be an excellent resource for all those who teach, preach, and study the Bible.
