Sophomore year broke Clementine Williams' heart. She fell for her best friend's boyfriend and long story short: he's excused, but Clem is vilified and she heads into summer with zero social life. Enter her parents' plan to spend the summer on their sailboat. Normally the idea of being stuck on a tiny boat with her parents and little sister would make Clem break out in hives, but floating away sounds pretty good right now. Then she meets James at one of their first stops along the river. He and his dad are sailing for the summer and he's just the distraction Clem needs. Can he break down Clem's walls and heal her broken heart?
