A Textbook on Principles & Practice of Life Insurance G Krishnaswamy

Life Insurance is a new subject though the concept is centuries old. It is difficult to provide information about the various aspects in any one particular book. Several departments in Life Insurance companies do not have thorough knowledge on the subject they are dealing with. Various books on Insurance have come into the market but they are not comprehensive. Most of these books are focusing on specific subjects only. This book is an effort by the author, who has been associated with the Life Insurance industry for almost half a century, to impart extensive knowledge in each subject. The book should ideally be possessed by the employees of every Life Insurance company besides helping the MBA students to acquire the working knowledge in Life Insurance.
