Blackmailing the Virgin (An Alexa Riley Promises Book 2) Alexa Riley

Welcome back to Alexa Riley Promises. This series is dedicated to old romances. It's tropes galore, with all of our usual over-the-top alphas and sweet cheesy goodness.

These short books will focus on traditional and classic tropes while sticking to the Alexa Riley code: no cheating and always with an HEA. That's our Promise to you.

Blackmailing the Virgin

When Calder Cox sees Felicity for the first time, he has to have her. There's nothing that will hold him back...until he finds out she's his lawyer's daughter.

Felicity Chandler is graduating college soon but has no idea what she wants to do. While playing her violin one night, she sees Calder and feels instantly drawn to him. But when he tries to keep his distance, she doesn't know what to do with all of her feelings.

Calder can't be held off much longer, and when his control snaps, there are consequences. Felicity might be trying to run, but he'll make sure she stays...even if he has to blackmail her to do it.

Warning: This is an Alexa Riley Promise, so it's over the top, contains no cheating, and will always come with an HEA. It's ridiculous baby-making drama that's packed full of heat.
