Draw Africa

Kristin J. Draeger

Draw Africa Kristin J. Draeger

Geography is essential to a child's education. And basic to that study is a simple outline of states, countries and continents. In Draw Africa I have tried to give students an easy introduction to committing the map of Africa to memory. Through simple, step-by-step instructions, students learn to draw each country as it connects to its neighbors and, with a little practice, will be able to draw Africa as a whole.
