## **Native American Literature: An Anthology** Lawana Trout

This treasury of literature by Native American authors allows students to listen to the voices from America's first and oldest literature. More than fifty tribes from the U.S. and Canada are represented, giving readers opportunities to explore the diversity of authors' experiences through poetry, fiction, and nonfiction, including the oral tradition. Two maps provide geographical context for the readings, one showing tribal locations and the other showing the Trail of Tears.
