SAP R/3 Implementation With ASAP : The Official SAP Guide Hartwig Brand

After an overview of the implementation process, this book charges into the new Accelerated program, ASAP. You'll learn about ASAP in its five phases and the various objectives, requirements, time frames, and tasks associated with each phase. You'll prepare for the day the system goes live through intelligent implementation design, discussion of staffing and other resources, and an introduction to the available utilities. And you'll see a walk-through of the process, from inception through planning, designing and testing. The CD includes a test engine, useful toward becoming an SAP Certified Technical Consultant.
