This isn't your grandmother's book on meditation. It's about integrating that "spiritual practice" thing into a life that includes beer, sex, and a boss who doesn't understand you. It's about making a difference in yourself and making a difference in your world - whether you've got everything figured out yet or not. Lodro Rinzler is a bright and funny young teacher with a knack for showing how the Buddhist teachings can have a positive impact on every little nook and cranny of your life - whether you're interested in being a Buddhist or not.
