Understanding Contemporary Strategy

Thomas M. Kane, David J. Lonsdale

Understanding Contemporary Strategy Thomas M. Kane, David J. Lonsdale

Understanding Contemporary Strategy provides an accessible and comprehensive introduction to the theory and practice of modern strategy.

Covering all the main issues in the field, the book explores the major themes through a combination of classical and modern strategic theory, history and current practice. The book is split into three main sections:

- Definition and Context : including discussion of the human, technological, intelligence, ethical and grand-strategic dimensions
- Strategy in the Geographic Environments: land, sea, air and space
- Contemporary Strategic Challenges: terrorism, insurgency and nuclear strategy.

Each chapter presents the reader with a succinct summary of the topic, but also provides a challenging analysis of current issues, supporting students with pedagogical features such as suggested further reading, boxed case studies and study questions.

This book will be essential reading for upper-level students of strategic studies, war studies, military history and international security.

From reader reviews:

Glady Curry:

In this 21st one hundred year, people become competitive in every way. By being competitive at this point, people have to do something to make all of them survive, being in the middle of the crowded place and notice by simply surrounding. One thing that at times many people have underestimated the idea for a while is reading. Yes, by reading a publication your ability to survive rises then having a chance to stay than others is high. To suit your needs who want to start reading the book, we give you this Understanding Contemporary Strategy book as a starter and daily reading e-book. Why, because this book is greater than just a book.

Wilma Richards:

As people who live in the modern era should be updated about what is going on or data even knowledge to make these individuals keep up with the era and that is always change and advance. Some of you maybe will update themselves by looking at books. It is a good choice for yourself but the problems coming to you is you don't know which one you should start with. This Understanding Contemporary Strategy is our recommendation to help you keep up with the world. Why, because this book serves what you want and want in this era.

Marc Medina:

Nowadays reading books be a little more than want or need but also be a life style. This reading routine gives you a lot of advantages. Advantages you got of course the knowledge the actual information inside the book which improve your knowledge and information. The knowledge you get based on what kind of e-book you read, if you want to attract knowledge just go with schooling books but if you want to truly feel happy read one using them for entertaining for instance comic or novel. The actual Understanding Contemporary Strategy is kind of reserve which is giving the reader an erratic experience.

Greg Butler:

Your reading sixth sense will not betray a person, why because this Understanding Contemporary Strategy e-book written by well-known writer who knows well how to make a book that may be understood by anyone who reads the book. Written in a good manner for you, still dripping with every idea and producing skill only to eliminate your own personal hunger then you still doubt Understanding Contemporary Strategy as a good book not simply by the cover but also with the content. This is one reserve that can break don't ascertain a book by its protect, so do you still need another sixth sense to pick this kind of!? Oh come on your studying sixth sense already said so why you have to listen to a different sixth sense.
