Liza Serrano:

As a college student exactly feel bored to help reading. If their teacher inquired them to go to the library or to make summary for some publication, they are complained. Just small students that has reading's heart and soul or real their pastime. They just do what the professor want, like asked to go to the library. They go to generally there but nothing reading critically. Any students feel that reading through is not important, boring and can't see colorful pics on there. Yeah, it is to become complicated. Book is very important for you
