Federal Wealth Transfer Taxation, Cases and Materials (University Casebook Series) Paul McDaniel, James Repetti, Paul Caron

This edition continues the comprehensive, yet flexible, presentation of prior editions. It explores technical and policy issues and is adaptable for use in a single course covering basic wealth transfer taxation or a sequence of such courses at either the J.D. level or LL.M. level. It includes approximately 300 problems, designed to help students master the material covered in each chapter. Within each section, the book moves from the straightforward to the more complex, empowering the professor to select the appropriate level of complexity for her course. It thoroughly integrates all changes in the law through May 1, 2015, including case law, legislation, regulations, rulings, and other administrative pronouncements.
