Il Romanzo Contemporaneo: Voci Italiane (Troubador Italian Studies) (Italian Edition)

Il Romanzo Contemporaneo: Voci Italiane (Troubador Italian Studies) (Italian Edition)

I problemi inerenti la scelta di un approccio storiografico o di un approccio di tipo più 'anglosassone', piuttosto concentrato sullo studio approfondito di un numero ristretto di opere, si presentano in modo particolarmente pressante quando si tratta di valutare e, in generale, discutere la produzione letteraria di questi ultimi anni: e per la sua vicinanza a noi, che rende inevitabilmente difficile discernere delle linee di sviluppo senza fraintendere o appiattire la tridimensionalità di ricerche artistiche nella maggior parte dei casi ancora in atto; e per le caratteristiche intrinsecamente sfuggenti e trasversali della produzione postmoderna. Sarebbe stato facile, in fondo, per sistematizzare e tentare di rendere rappresentativo il panorama presentato dagli studi qui riportati, suddividere gli autori qui trattati in scrittori di matrice più inequivocabilmente 'letteraria' (Celati, Tabucchi, Capriolo) e scrittori più 'di genere' (ma quale poi?) - Benni, Baricco, Santacroce. Ma già vediamo gli autori in questione balzare in piedi e scuotere con giusta rabbia le sbarre della gabbia in cui verrebbero così rinchiusi. E dove situare, poi, una straordinaria scrittrice quale Silvana Grasso? In questo senso, il presente volume tenta di mettere proficuamente in atto approcci differenti, aprendosi con la riproposta dell'utilissima carrellata di autori e temi effettuata da Raffaele Donnarumma, per poi passare ad analisi di singoli autori svolte esse stesse secondo modalità diverse, nel tentativo di offrire un panorama il più preciso e ricco possibile del romanzo italiano al confine tra il ventesimo e il ventunesimo secolo.
