Masculinities

R. W. Connell

Masculinities R. W. Connell

This is an exciting new edition of R.W. Connell's groundbreaking text, which has become a classic work on the nature and construction of masculine identity. In its first edition, *Masculinities* provided one of the most important voices in feminist scholarship by men. Connell argued that there is no such thing as a single concept of masculinity, but, rather, that many different masculinities exist, each associated with different positions of power. In a world in which gender order continues to extend privilege to men over women, but that also raises difficult issues for men and boys, Connell's account is more pertinent than ever.

In the new edition's substantial new introduction and conclusion, Connell discusses the development of masculinity studies in the ten years since the book's initial publication. He explores global gender relations, new theories, and practical uses of masculinity research. Looking to the future, his new concluding chapter addresses the politics of masculinities, and the implications of masculinity research as a way of understanding current world issues. Against the backdrop of an increasingly divided world, one that is presently dominated by neo-conservative politics, Connell's account highlights a series of compelling questions about the future of human society.

This second edition of Connell's classic book will be essential reading for students taking courses on masculinities and gender studies and will be of interest to students and scholars across the humanities and social sciences.

From reader reviews:

Holly Silva:

Do you certainly one of people who can't read gratifying if the sentence chained in the straightway, hold on guys this aren't like that. This Masculinities book is readable by you who hate those straight word style. You will find the details here are arrange for enjoyable looking at experience without leaving actually decrease the knowledge that want to provide to you. The writer involving Masculinities content conveys the thought easily to understand by a lot of people. The printed and e-book are not different in the information but it just different in the form of it. So , do you continue to thinking Masculinities is not loveable to be your top collection reading book?

Mary Ponce:

Beside this particular Masculinities in your phone, it can give you a way to get closer to the new knowledge or facts. The information and the knowledge you can got here is fresh through the oven so don't always be worry if you feel like an outdated people live in narrow commune. It is good thing to have Masculinities because this book offers for you readable information. Do you sometimes have book but you don't get what it's about. Oh come on, that won't happen if you have this in your hand. The Enjoyable option here cannot be questionable, just like treasuring beautiful island. Use you still want to miss it? Find this book and also read it from at this point!

Rosemary Till:

Is it you actually who having spare time in that case spend it whole day through watching television programs or just lying down on the bed? Do you need something totally new? This Masculinities can be the respond to, oh how comes? A fresh book you know. You are therefore out of date, spending your free time by reading in this completely new era is common not a geek activity. So what these guides have than the others?

Carlie Manson:

As a college student exactly feel bored for you to reading. If their teacher asked them to go to the library or to make summary for some publication, they are complained. Just little students that has reading's heart or real their passion. They just do what the instructor want, like asked to the library. They go to right now there but nothing reading seriously. Any students feel that looking at is not important, boring and also can't see colorful images on there. Yeah, it is being complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this Masculinities can make you truly feel more interested to read.
