ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you **select the correct ISBN**. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, **you may need a CourseID**, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

Packages

Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase.

Used or rental books

If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code.

Access codes

Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase.

--

This access code card gives you access to all of MySearchLab's tools and resources, including a complete eText of your book. You can also buy immediate access to MySearchLab with Pearson eText online with a credit card at www.mysearchlab.com.

Examines the development and impact of capitalist culture

From its roots more than 500 years ago to the present day, capitalism expanded from Western Europe to the United States and then to much of the rest of the world. This expansion has not gone uncontested; resistance has been both direct and indirect, including political, religious, and social protest, and even revolution. How and why capitalist culture developed and the reasons why some groups resisted and continue to resist its development are among the issues explored in *Global Problems and the Culture of Capitalism*, 6/e.

MySearchLab is a part of the Robbins program. Research and writing tools help students master basic writing skills. With MySearchLab, students can access various academic journals, census data, and Associated Press news feeds, broadening their views on important issues.
