The Black Eyed Kids T.S. Woods

Samantha Pearson found the perfect home, away from the city to raise her daughter Taya in. It had been a long time since losing her husband, and she felt the calm, slow atmosphere would be a nice change of pace for both of them. She would love the town, finding friends, a great place to open her new antique shop, and finding romance, something she thought was lost forever. She wasn't prepared to have to fight for her daughter's life as well as her own. When the two kids started showing up outside of her daughter's second story window, it would be just the beginning, not only for her, but for many others that would also disappear after encountering the black eyed kids.
