The New Creation: John Wesley's Theology Today Theodore Runyon

Commissioned by the General Board of Higher Education and Ministry for use in United Methodist doctrine/polity/history courses.

Runyon sets Wesley's own discussion of the "way of salvation" in the larger context of Christian doctrine, beginning with the Creation (and the Fall) and moving through the drama of salvation towards its eschatological fulfillment in the "new creation" of all things.

"This is for me the Wesley book at the end of the century, with new perspectives for the next millennium. Reliable in historical research, brilliantly written, it offers the social witness of John Wesley for today's crises. Professor Runyon gives a coherent picture of Wesley's theology for the Christian oecumene and far beyond. I am very grateful for this book."--Jürgen Moltmann

The New Creation has been translated into 5 languages: Korean, Portuguese, Russian, German, and Spanish.
