With the end of semester approaching, Erin and Blake decide to lay low. After all, they have all the time in the world after that. Except Blake's future at the university is up in the air and trouble is brewing back in Erin's hometown. When the couple is tested, they will have to trust each other to forge their own sexy ending.

"...an intriguing and sexy beastly hero, a vulnerable young student who coaxes him out of his shell, and a romantic and erotic storyline that is sure to satisfy readers. Another winner from Warren." - Penelope's Romance Reviews

Don't miss the first three books in the series, starting with Beauty Touched the Beast. All parts have complete endings, no cliffhangers. You can stop anytime, but you won't want to once you get a taste of this sexy, sweet tortured hero.
