Curar con las manos, el toque terapéutico transpersonal (Alternativa) (Spanish Edition) Graciela Pérez Martínez

A comienzos de los años 70, la Profesora Emérita de Enfermería de la Universidad de Nueva York, Dolores Krieger, tuvo la clara intuición que tanto ella como sus colegas enfermeras podían acceder a técnicas que consiguieran aliviar el dolor y acelerar el proceso curativo. Desde ese momento se dedicó a desarrollar el Toque Terapéutico, una técnica no invasiva, que utiliza el flujo de la energía proveniente de la mano humana para aliviar los síntomas de distintas enfermedades y conducir al equilibrio en el estado de salud. En la actualidad, el Toque Terapéutico es aplicado en cientos de hospitales y clínicas privadas de los Estados Unidos y enseñado en más de setenta países que lo adoptaron como método de sanación natural. Graciela Pérez Martínez, practicante del Toque Terapéutico, ofrece esta guía y manual de sus técnicas y fundamentos a todas las personas que quieran dejar en libertad su poder sanador interno para poder ayudar a sus semejantes. El lector puede aprender este sistema para despertar su propia fuerza vital, con el objetivo de reducir el dolor de otras personas, ayudando al cuerpo a recuperar su capacidad auto-curativa y a la mente para que alcance, en pocos minutos, un reparador estado de relajación profunda.
