I never let things with women last this long. I hook up with them and I'm gone before the sun is up.

Then I met Brynn.

I've never fallen for anyone as hard as her. I've done everything to push her out of my life, but I can't resist the feeling she gives me. She gets me like no one else does. Her past is just broken as mine. We've both have the scars to show it-on the inside and the outside.

I've just got out on bail for a crime I didn't commit...all because of her. I'd spend a million years behind bars if it guaranteed her safety and happiness.

But, now she's with Noah. Some a\*\*hole with millions of dollars. But he can't protect her like I can. And she knows it.

My life is spinning out of control and the one person I need by my side, I can't have.

She's the only one who can save me from myself. My life has always been reckless. But without her...my life is a powder keg, ready to explode at any moment. I'd rather live in hell with her than be in heaven alone without her. I'll stop at nothing to get her back, even if destroying myself is the cost.

This is the final book in the Storm series. No cliffhanger.
