The Cambridge Companion to Thomas Pynchon (Cambridge Companions to Literature)

The Cambridge Companion to Thomas Pynchon (Cambridge Companions to Literature)

The most celebrated American novelist of the past half-century, an indispensable figure of postmodernism worldwide, Thomas Pynchon notoriously challenges his readers. This Companion provides tools for meeting that challenge. Comprehensive, accessible, lively, up-to-date and reliable, it approaches Pynchon's fiction from various angles, calling on the expertise of an international roster of scholars at the cutting edge of Pynchon studies. Part I covers Pynchon's fiction novel-by-novel from the 1960s to the present, including such indisputable classics as *The Crying of Lot 49* and *Gravity's Rainbow*. Part II zooms out to give a bird's-eye-view of Pynchon's novelistic practice across his entire career. Part III surveys major topics of Pynchon's fiction: history, politics, alterity ('otherness'), and science and technology. Designed for students, scholars and fans alike, the Companion begins with a biography of the elusive author and ends with a coda on how to read Pynchon and a bibliography for further reading.
