### **When people you trust betray you**

Betrayal by enemies is expected, but when it comes from family and friends, it can be devastating. Perry Stone uses the intriguing example of a Judas goat to show you how to deal with the betrayal in a biblical way and find the strength to forgive.

A Judas goat is an actual goat that is raised with the sheep in the field; eating with them, sleeping with them, and generally gaining their trust. When the time comes to lead the sheep into the slaughterhouse, the sheep will follow the Judas goat into specially marked pens, the back of trucks, and in some instances into the slaughterhouse itself. *The Judas Goat* makes a strong correlation between this goat and the people in your lives who are operating with ulterior motives, helping you understand:

- The betraying strategy of potential Judas goats in your life
- The three levels of relationships and whom you should let into your inner circle of trust
- How to address false rumors and lies from those close to you
- The critical danger of unforgiveness, and more!
